# ABOUT NAHATA ELECTRICALS

Your Partner in Power, Infrastructure & Water Solutions

Established in **1978**, **Nahata Electricals** has grown into a **trusted** and **innovative** provider of **power generation**, **water treatment**, **infrastructure**, and **safety solutions**. With more than four decades of experience, we are committed to delivering performance-driven products and services to industries, institutions, infrastructure projects, and households across West Bengal.

---

## Global Partnerships:

Over the years, we have **partnered** with globally renowned brands such as **Jakson Cummins**, **ION Exchange**, **AluDecor**, **Aluwall**, and **Avery Dennison**, reinforcing our reputation for quality, reliability, and customer trust.

## Commitment to Excellence:

Our **foundation** is built on **long-term partnerships**, **customer-centric solutions**, and a **continuous pursuit of excellence**—making us a dependable partner in powering progress, building infrastructure, and ensuring access to clean water.

# Why Choose Us

- ➔ 45+ Years of Proven Experience
- ➔ Trusted Global Partnerships
- ➔ Complete State wide Coverage in West Bengal
- ➔ End-to-End Solutions: Consultation to After-Sales Support
- ➔ Environmentally-Compliant & Sustainable Technologies
- ➔ Customer-Centric, Prompt, and Reliable Service

# COMPANY TIMELINE

1978

Founded with a focus on portable generators, pump sets, and electrical appliances in collaboration with Honda, Ashok Leyland, and Volvo.

2007

Partnered with Avery Dennison to supply road infrastructure and signage products across West Bengal.

2015

Became Authorized channel partners of Jakson Cummins for silent Diesel Generators (7.5 kVA – 3000 kVA).

2015

Associated with AluDecor to provide premium Aluminium Composite Panels (ACP).

2024

Partnered with ION Exchange to deliver comprehensive residential, commercial, and industrial water treatment solutions.

## 1. WATER TREATMENT SOLUTIONS (ASSOCIATED WITH ION EXCHANGE)

---

At **Nahata Electricals**, we provide end-to-end **water treatment solutions** that ensure safe, clean, and sustainable water for industries, communities, and households.

### Industrial Solutions:

Wastewater  
Management  
Systems

Effluent  
Treatment  
Plants (ETP)

Rainwater  
Harvesting  
Systems

Large-scale  
RO & Filtration  
Units

### Residential & Community Solutions:

Domestic  
Water Filters

Iron Removal  
Systems

Alkaline Water  
Purifiers

Specialized  
Filtration  
Technologies

Our solutions are designed to meet environmental standards while promoting water conservation and sustainability for long-term resource security.

## 2. INDUSTRIAL DIESEL GENERATOR (ASSOCIATED WITH **JAKSON CUMMINS**)

We provide a complete range of silent Diesel Generators (7.5 kVA – 3000 kVA) compliant with CPCB IV norms. Designed for durability, fuel efficiency, and reliable performance, these generators are ideal for:

### **Industrial Plants**

Uninterrupted power solutions for manufacturing facilities, ensuring continuous production and operational efficiency across diverse industrial applications.

### **Hospitals & Data Centers**

Reliable backup power for hospitals, data centres, and essential services where power continuity is absolutely critical for operations and safety.

### **Commercial Complexes**

Comprehensive power solutions for office buildings, shopping centres, and commercial establishments requiring consistent energy supply.

### **Manufacturing Units**

Modern machinery and skilled technicians ensure efficient, high-quality power, water, and infrastructure solutions.

### **Infrastructure & Construction Sites**

Portable and robust power generation for infrastructure projects, construction sites, and temporary installations across West Bengal.

### **Our Services Include:**

#### **Supply, Installation, Testing & Commissioning (SITC) :**

We ensure uninterrupted energy through customized solutions and dedicated service support across all of West Bengal.

### 3. SOLAR ROOFTOP SOLUTIONS (ASSOCIATED WITH **JAKSON**)

---

We provide end-to-end Solar Rooftop Solutions powered by Jakson Solar – built for high efficiency, long-term savings, and eco-friendly energy generation. Ideal for:

HERITAGE BUILDINGS

RESIDENTIAL

AIRPORTS

WAREHOUSES &  
COLD STORAGES

COMMERCIAL &  
INDUSTRIAL

MANUFACTURING  
UNITS

HOSPITALS

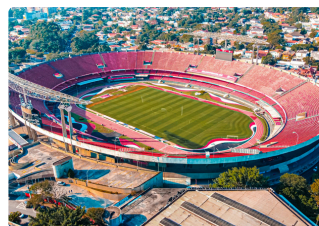

EDUCATIONAL  
INSTITUTES

PARKING SHEDS

RAILWAY COACHES

STADIUMS

EXPRESSWAYS

## 4. ALUMINIUM COMPOSITE PANELS (ACP) (ASSOCIATED WITH **ALUDECOR** & **ALUWALL**)

We deliver premium ACP solutions that combine durability, modern aesthetics, & versatility for both exterior and interior applications, offering long-lasting performance, low maintenance, and weather resistance to meet diverse project needs.

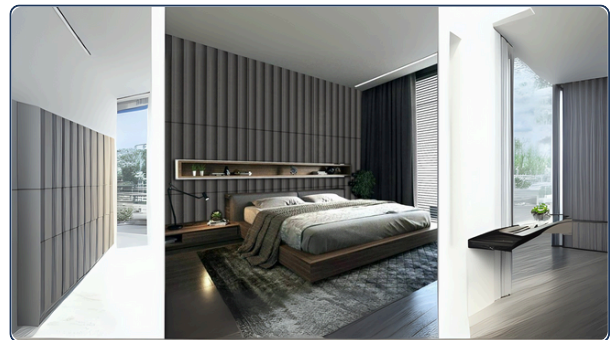

### Outdoor Applications

- Building façades with weather-resistant properties
- Premium cladding solutions for architectural excellence
- Durable signage and branding applications
- Wall coverings designed for harsh weather conditions

### Indoor Applications

- Elegant partitions for modern office spaces
- Sophisticated false ceilings with contemporary appeal
- Designer wall panels for premium interiors
- Decorative finishes bringing style and elegance

We deliver premium ACP solutions that combine durability, modern aesthetics, and versatility for both exterior and interior applications. Our ACP products are lightweight, easy to install, and available in a wide variety of colours and textures—perfect for architects, builders, and designers seeking creative and long-lasting solutions that meet the demanding requirements of West Bengal's diverse architectural landscape. These innovative panels offer exceptional resistance to weather, corrosion, and fire, making them ideal for the challenging climatic conditions.

## 5. REFLECTIVE SHEETING & ROAD FURNITURES (ASSOCIATED WITH **AVERY DENNISON**)

---

We deliver premium ACP solutions that combine durability, modern aesthetics, and versatility for both exterior and interior applications.

### Road Pavement Markers

High-visibility RPMs designed to enhance road safety during night-time and adverse weather conditions, significantly reducing accident rates on highways and urban roads.

### Thermoplastic Paints

Durable and long-lasting road marking solutions that maintain visibility and clarity under heavy traffic conditions and challenging weather patterns.

### Reflective Sheeting

Comprehensive directional and informational signage solutions that improve traffic flow and provide clear guidance for drivers and pedestrians across all road types.

### Traffic Control Accessories

We offer a durable range of traffic control accessories designed for safety, visibility, and smooth vehicle movement. Ideal for roads, construction sites, and public areas.

Our products are already trusted in government road projects, highway expansions, and smart city initiatives. We are also preparing to extend these solutions to private projects, including parking systems, residential complexes, and corporate campuses.
